SPECIAL APPEARANCE (S.A.)

PG 1-2

I understand that I, or the entity I represent, will keep all defenses or objections to the lawsuit, the court's jurisdiction, and the venue of the action, but that I waive any objections to the absence of a summons or of service.

I also understand that I, or the entity I represent, must file and serve an answer or a motion under Rule 12 within 60 days from _____, the date when this request was sent (or 90 days if it was sent outside the United States). If I fail to do so, a default judgment will be entered against me or the entity I represent.

(Date and sign—See Form 2.)

(Attach the following to Form 6.)

To be printed on reverse side of the waiver form or set forth at the foot of the form:

Duty to Avoid Unnecessary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure. (~~PREMISED PERSON~~)

"Good cause" does not include a belief that the lawsuit is groundless, or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant's property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.

If you waive service, then you must, within the time specified on the waiver form, serve an answer or a motion under Rule 12 on the plaintiff and file a copy with the court. By signing and returning the waiver form, you are allowed more time to respond than if a summons had been served. (~~DEF~~)⁵ VIOLATED RULE 12 (B) & RULE (4) OF F.R.C.P.

(Added Apr. 30, 2007, eff. Dec. 1, 2007.)

without interest and costs, exceeds the sum or value specified by 28 U.S.C. § 1332.

- (b) (For federal-question jurisdiction.) This action arises under [the United States Constitution, specify the article or amendment and the section] [a United States treaty specify] [a federal statute, _____ U.S.C. § ____].
- (c) (For a claim in the admiralty or maritime jurisdiction.) This is a case of admiralty or maritime jurisdiction. (To invoke admiralty status under Rule 9(h) use the following: This is an admiralty or maritime claim within the meaning of Rule 9(h).)
- (Added Apr. 30, 2007, eff. Dec. 1, 2007.)

Form 8. Statement of Reasons for Omitting a Party

(If a person who ought to be made a party under Rule 19(a) is not named, include this statement in accordance with Rule 19(c).)

IN THE UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF OKLAHOMA

CHARLES A. SYRUS, JR.,

Plaintiff,

v.

PROFESSIONAL BASKETBALL
CLUB (PBC) LLC,

Defendant.

CIV-12-678-D

REPORT AND RECOMMENDATION DENYING LEAVE TO PROCEED IN
FORMA PAUPERIS AND RECOMMENDING DISMISSAL OF THE ACTION

With his Complaint filed June 14, 2012, the *pro se* Plaintiff requests leave to proceed *in forma pauperis* ("IFP") pursuant to 28 U.S.C. §1915(a)(1).¹ The matter has been referred to the undersigned Magistrate Judge for initial proceedings consistent with 28 U.S.C. §636(b)(1)(B). Having reviewed the motion, the undersigned finds that Plaintiff has not presented sufficient information to determine whether he has funds sufficient to pay the full filing fee. For instance, Plaintiff states that he is not employed but that he made \$150.00 for 3 days of work in June 2012 and that he has no assets other than a 1985 pick-up truck. He provides no further information regarding any sources of income, although he states that he has a wife and an infant who are his dependents.

¹"Section 1915(a) applies to all persons applying for IFP status, and not just to prisoners." *Lister v. Dep't of Treasury*, 408 F.3d 1309, 1312 (10th Cir. 2005).

Review of the motion is further complicated because the Defendant named in the caption of the Complaint, Professional Basketball Club (PBC) LLC, who has not been served with process, has made a special appearance and filed a written "Objection to Plaintiff's Application to Proceed In Forma Pauperis." (Doc. # 4). In this Objection, Defendant requests that Plaintiff's application to proceed IFP be denied on the ground that the action is frivolous under 28 U.S.C. § 1915. Defendant asserts that Plaintiff's Complaint raises the same copyright and trademark infringement claims that Plaintiff raised, and this Court and the Tenth Circuit Court of Appeals rejected, in a previous action filed by Plaintiff IFP, Syrus v. Bennett, et al., Case No. CIV-10-1116-D. Because his claims raised in the instant action are "equally frivolous," Defendant asserts that the Court should refuse to allow Plaintiff to proceed *IFP* in this action. Defendant does not expressly seek dismissal of the action filed by Plaintiff herein, and in fact Defendant states that the objection is not intended as a responsive pleading to Plaintiff's Complaint. However, Defendant has invoked 28 U.S.C. § 1915(e)(2)(B)(ii)'s standard for reviewing IFP complaints. Thus, the Court must determine whether it has the authority to *sua sponte* address the sufficiency of the Complaint.

In considering a civil complaint filed IFP, the court has the responsibility to screen the complaint. 28 U.S.C. § 1915(e)(2). On review, the court must dismiss a cause of action filed IFP at any time the court determines the action is frivolous, malicious, fails to state a claim upon which relief may be granted, or if the litigant seeks monetary relief from a defendant who is immune from such a claim. 28 U.S.C. § 1915(e)(2)(B).

In Denton v. Hernandez, 504 U.S. 25 (1992), the Supreme Court stated that "[t]he
